FAQs

1 WHAT IS CHANGING WITH Z TAGS NLIS AND AGRI-ID CATTLE TAGS?

Z Tags NLIS and AGRI-ID cattle tags are being consolidated into one improved solution: the new Z Tags NLIS. This brings the strengths of both products together, excellent performance at an affordable price.

2 WHY ARE Z TAGS NLIS AND AGRI-ID BEING REPLACED?

The goal is to simplify the product range and provide one improved tag that combines the best features of both previous products.

3 WHAT ARE THE BENEFITS OF THE NEW Z TAGS NLIS?

Stronger, lighter tags designed for improved retention and readability.

4 WILL THE NEW Z TAGS NLIS WORK WITH THE SAME APPLICATOR?

Yes - the new Z Tags NLIS works with the same applicator: the renowned Z2 No-Tear-Tagger. Featuring a unique double-action, snap-back arm and flick-out pin, it helps prevent ripped ears and ensures smooth, efficient tagging. One tagger fits all Z2 tags - visual and electronic.

5 IS THE UNIVERSAL APPLICATOR DISAPPEARING FROM THE MARKET?

Yes - the Universal Applicator will be discontinued, as it was designed specifically for Agri ID tags.
The Z2 No-Tear-Tagger will be the standard applicator for all two-piece cattle tags, both visual and electronic.
