Tissue Tagger

Product Description

Designed to apply the Z Tags Tissue Sampler Only and Tissue Tag range as well as visual and EID tags from the Z Tags portfolio. The tagger is easy to load and the process of taking a sample is almost identical to conventional tagging.

Compatibility with Z Tags visual and EID tags is a time saver as it eliminates the need to switch applicators when applying an additional tag alongside the tissue tag.

The Tissue Tagger is strong, durable and reliable.

Instructions for use are printed on the packaging.

Technical Specifications

Dimension (when closed)	242 mm x 90 mm x 32 mm
Dimension (when open)	270 mm x 150 mm x 32 mm
Pin (Ø)	3.5 mm
Weight	535 g
Material	Polyamide PA6/POM UV protected Carbon Steel with anticorrosion plating
Product code	800 0800-123
