Knowing your One Piece No snag tagger™

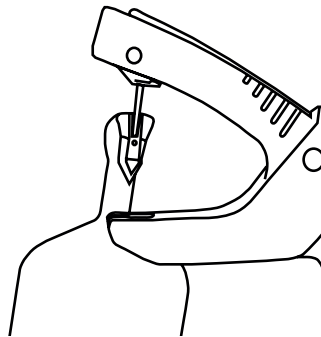

Flick out pin

Spare Pin

Silicone Pouch
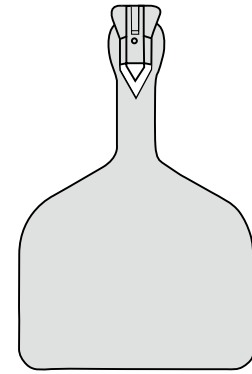

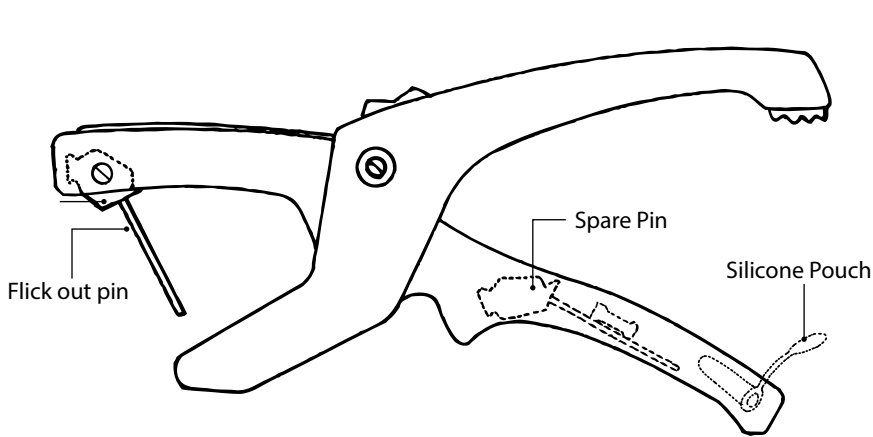

**No snag** feedlot **tags™**
One piece tags

Applying No snag feedlot tags™
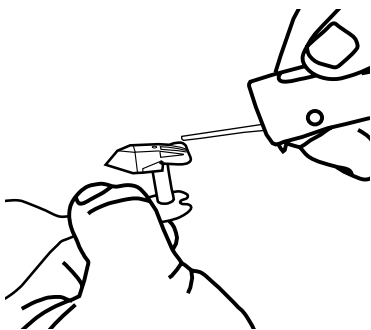

1. Flip the pin up into the loading position and insert the pin into the head of the tag.

2. Rotate the tag to the side and flip the pin down into the tagging position as shown. Now the tag is ready to apply.

3. Remove the tagger without opening handles, pulling tagger away from the animal's ear in one smooth motion.
